

Even if you like your current job don't miss this opportunity!

1. **Advancement** opportunities unlike you've ever seen!
2. 99% of our patients **want** to get better (not a worker's comp or lien mill)!
3. **Great** pay and benefits!
4. Discharge patients when goals are met, not milk the insurance for all it's worth!
5. No unethical procedures like "padding" bills or performing services just to increase reimbursement
6. **Regular** trainings to foster

growth and expertise!

7. Work with a **motivated** and **committed** team!
8. **Energetic** environment and fast-paced!
9. Work with other PT's and be treated as a professional!

And much, much more...

Even if you like your current job, **don't miss this opportunity** to better yourself and your career. If you don't take this chance to make a positive change in your life, the road you're on will never change!
